Italy, 23-29 July.
Benvenuti a Riva del Garda!

Topper 5.3 World Championships • Topper 4.2 World Championships
Topper 6.4 European Championships • International Masters Championship

Recognised by

INVITATION TO ENTER

the International Topper 4.2 and 5.3 World Championships and Topper 6.4 European Championships 2022.

The International Topper Class Association welcomes competitors for the 27th edition of the Topper Worlds, in Riva del Garda, Trentino, Italy.

We are expecting entries from Europe, North America, Africa, Asia and South East Asia. Online entry will open on the 1st January 2022, but in order to facilitate travel from the People's Republic of China and obtain the necessary visas in good time, please indicate your intention to enter by emailing secretary@itcaworld.org

Full event information and travel advice on the event is available on www.itcaworld.org. Our absolute priority is for everyone to enjoy great international competition and a safe environment.

To minimise COVID-19 risks, we strongly request your support and adherence to our COVID-19 protocols and instructions at the championships, and also whilst travelling to and from the event.

Hosted by the world famous Fraglia Della Vella Riva, racing on Lake Garda is an experience not to be missed. With regular, steady breeze, no current and clear skies it is no wonder Garda is a mecca for sailors from all over the globe. The dramatic background of the awe-inspiring cliffs surrounding the northern part of the lake is unsurpassed for beauty, grandeur and pure scale.

Garda is also a great place to visit for the whole family, sailing or not. Frequent and inexpensive ferries criss-cross the lake to delightful villages such as Limone, (think Lemocello and gelato!), Malcesine (officially recognised as one of Italy's most beautiful villages - take the cable car to the top of Monte Baldo) and Sirmione - set at the tip of a peninsula at the southern end of the lake, famous for its thermal baths and the Rocca Scaligera - a medieval castle overlooking the lake.

The Fraglia Della Vella Riva club will also be hosting the inaugural Topper 6.4 European Championships, from the 26-28th July. The 6.4 Europeans will be the perfect challenge for Topper graduates, older siblings and supporters not racing in the Worlds.

The radial, battened sail is complimented by a deeper rudder blade to balance the additional power provided by the 6.4m² rig and suits a weight range of 65-85kg.

It will also be a great opportunity for those who sadly lost the chance to race an international Topper championship in the last two years due to the pandemic, but once again have the prospect to race on the majestic Lake Garda.

Sponsor Topper International has generously offered to lend twenty 6.4 rigs to the first 20 entries without their own, you just need to bring a hull and foils – contact the Secretary General to register your interest now.

Championships schedule:

Saturday 23rd	10.00 - 17.00	Registration and measurement
Sunday 24th	10.00 - 17.00 18:30	Registration and measurement Opening ceremony and parade
